

NAVYUG INFRAGEN

PRIVATE LIMITED

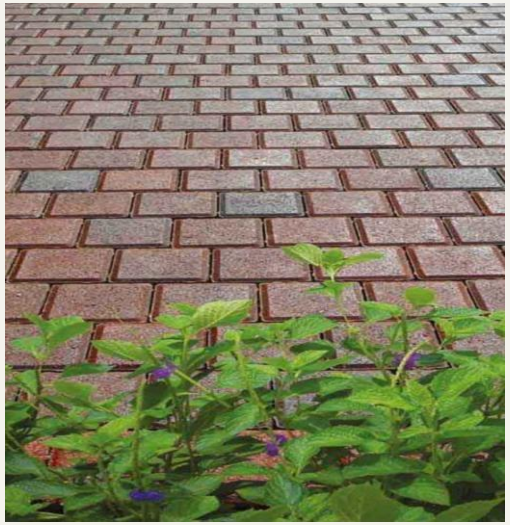

ABOUT US

- Established in **1964**, Navyug Infragen is a leading & trusted manufacturer of high-quality paver blocks, curb stones, and cement-concrete products with manufacturing units in **Morbi** & **Ahmedabad**.

- Our products are known for durability, consistency, and timely delivery. Our manufacturing units follow all necessary standards, including **in-house laboratories** for product testing, **ISI** and **ISO-9000 certification**, and adherence to all safety protocols for our labour force, ensuring consistent quality, safety, and reliability in every batch we produce.

- Building on our legacy, we have now expanded into civil contract-based project services, including **fuel station** construction and **road infrastructure** works, supporting contractors and developers with end-to-end project delivery.

- We remain committed to sustainability, adding **eco-friendly product** lines and responsible manufacturing processes to align with modern infrastructure needs.

- Our dedication to quality, timely delivery, and innovation has made us a **trusted** partner for clients across **India** across various segments like:
  railway stations, ports, highways, fuel stations, petroleum depots, container yards, religious and public institutions.

- **Our group of companies : Hi Tech Engineers & Navyug Tiles**

OUR VISION

To be India's leading provider of innovative and sustainable infrastructure solutions, transforming the nation's built environment while preserving its natural resources for future generations

OUR MISSION

To expand our expertise into comprehensive infrastructure development, including highway construction, bridge building, and pioneering the development of environmentally responsible construction materials.

CORE VALUES

EXCELLENCE

Commitment to excellence in every aspect of our operations.

INNOVATION

Continuously seeking innovative solutions to improve our products and processes.

SUSTAINABILITY

Dedicated to developing practices that minimize environmental impact.

INTEGRITY

Conducting business with the highest level of transparency and ethical standards.

OUR PRODUCTS & SERVICES

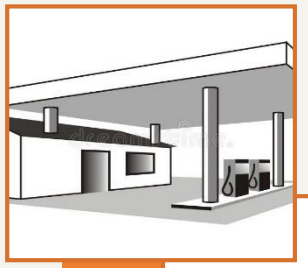

CEMENT PRODUCTS

- Paver Blocks
- Checkered Tiles
- Curb Stones
- Pre-Cast Blocks
- RE blocks
- Construction Solid Blocks
- Flag Stones & Cobble Stones

SUSTAINABLE PRODUCTS

- Fly Ash Bricks
- Fly Ash Blocks
- Grass Pavers
- Cool Roof Tiles
- Green Pavers (Zero Cement Pavers)
- Red Clay Pavers (Zero Cement Pavers)

CONTRACT-BASED SERVICES

- Fuel Station End-to-End Construction
- Developing Drive-Ways and Foot Paths
- Supply & Apply of RE Blocks for Bridge Retaining Walls
- Road Project Work

AWARDS & CERTIFICATIONS

We are proudly the **first ISO-9001** as well as **ISI certified** pre-cast concrete in Saurashtra Kutch region.

We also have been proud recipients of the **Udyog Bharati Award**.

Our products are trusted across homes, commercial projects, and public infrastructure in India and select European markets, with one of **the largest production capacities in Saurashtra and Kutch** showing our commitment to the **Make in India** vision.

ACHIEVEMENTS

NOTABLE PROJECTS

•ECO-FRIENDLY SUPPLY TO MATHERAN - MAHARASHTRA

- Supplied eco-friendly red clay blocks for the entire Matheran region, supporting sustainable, low-carbon construction under the **Make in India** initiative.

RENUKA SUGAR- KUTCH – 2015 LANDMARK PROJECT

- Completed **5 lakh sq.ft. of paver blocks within 70 days**, covering production and installation with **400 skilled workers**, showcasing our execution strength and adherence to **lab-tested quality standards**.

DHOLERA SMART CITY - GUJARAT

- Contributed to Honorable PM Modi's **Dholera Smart City dream project** by supplying **customised, non-standard chequered tiles for L&T**, aligning with advanced urban development under **Make in India**.

CONCOR LOGISTICS HUB, VADODARA

- Executed manufacturing, supply, and laying of **M-50 CC paver blocks across 2,75,000 sq.m.** for **Container Corporation of India Ltd. (CONCOR)**, using **ISI-marked, lab-tested materials** to ensure durable, high-quality results

PATNA RING ROAD EXPANSION

- Supplied and installed **1,18,500 sq.m. (approx.)** of paver blocks for the **construction and widening of Patna Ring Road (Kanhauli to Ramnagar) from 2-lane to 6-lane**, completed within **12 months with zero penalty**, demonstrating timely, large-scale execution capabilities.

NOTABLE PROJECTS

•BRIDGE PROJECTS IN RAJASTHAN

- Supplied and applied **RE blocks for 8 bridges spanning lengths of 3–8 km each in Jalore, Rajasthan**, demonstrating our capability to deliver **high-quality, large-scale infrastructure solutions** for critical public works

MORBI POLICE STATION

- Completed **50,000 sq.ft. of paver block installation within just 5 days**, demonstrating unmatched speed and execution capacity.

PORTS & HEAVY-DUTY APPLICATIONS

- Supplied **120mm thick, M55 grade high-strength paver blocks** for **Bedi Bunder, Rosy Port, Jamnagar, Mundra Adani Port, and Navlakhi Port**, using **hi-tech machinery and precision mix designs** that only a few factories can achieve.

RAILWAY STATIONS

- Supplied **chequered tiles and tactile tiles for the visually impaired** to **31 railway stations across India within 3 years**, contributing to inclusive infrastructure development.

RELIGIOUS AND PUBLIC INSTITUTIONS

- Supplied paver blocks for numerous **large religious and public institutions**, especially **Jain Tirths**, supporting cultural and community spaces with durable, aesthetic solutions.

PROUD ACHIEVEMENTS

•REGISTERED WITH ALL PETROLEUM COMPANIES

- Recognized as **one of the few precast concrete product companies registered and approved with all major petroleum companies** in India, reflecting our credibility and compliance standards.

HIGHEST PRODUCTION CAPACITY IN WEST GUJARAT

- Leading the region with **the highest production capacity in Saurashtra and Kutch**, ensuring timely supply for large-scale projects.

INNOVATION IN SUSTAINABILITY

- Developed **"Zero Cement Paver Blocks" (also known as "Uncarbon Pavers")**, reducing carbon footprint in paving solutions. This innovation earned us the **Startup Certificate by Startup India under the Ministry of Commerce and Industry**.

TIMELY COMPLETION, ZERO PENALTY

- Successfully completed **multiple large-scale projects within committed timelines with zero penalties**, covering **lakhs of square feet** while maintaining quality and safety
